

THE third cat actually followed them – Cloud hadn't expected it, after their track record with the first two. They'd have to make a detour, he decided: go back to Betty right away instead of heading over to the factory to see off those monsters. Best avoid the little thing getting hurt.

“Aw, it's cute!” said Tifa, and he responded with a grunt. It *was* cute. She didn't need to know he thought so.
